

The Aspire

Charity Golf Day

Porters Park Golf Club, Hertfordshire

Wednesday 18th July 2012

2012

PORTERS PARK

The day will consist of a light lunch, 18 holes of golf and finally a delicious three course dinner.

Aspire exists because there is currently no cure for spinal cord injury. The charity provides practical help to people who have been paralysed by spinal cord injuries. A spinal cord injury can happen to anyone at anytime and every eight hours someone else is paralysed.
