

Dress Down Day

People will pay top dollar not to have to wear their usual work clothes or uniform. They might even pay more if they can wear the strip of their favourite sports team or some kind of fancy dress.

Follow these simple steps and organise your own Dress Down Day.

- Choose a day to hold your Dress Down Day on, and get permission from your boss.
- Use the poster in this kit to advertise your day around your workplace, send emails round, making sure everyone knows about your day.
- On the day go round with a container (you can use the one in this kit) to collect donations from all your work colleagues who have taken part in your day.
 - Add the money you have raised from your Dress Down Day to your Aspire Channel Swim fundraising efforts.

Building the box instructions

- Print the box onto card and then carefully cut the box out (including the coin slot).
- Fold along all of the lines , this will make assembling the box easier later.
- Using glue, stick both A1 and A2 to the back of B1 and B2.
- Repeat process with C1 and C2 to the back of B1 and B2.
- Using glue , stick E1 to the back of F1. In doing so you should have created a back and lid to your collection box.
- Finally glue D1 and D2 to B1 and B2.
- You should now have an Aspire collection box.
