

# Quiz Night.

Q. What fundraising activity is simple to run and sure to make you a winner every time?

A. A quiz night of course!

Follow these simple steps to hold your own quiz night and boost your fundraising!

- Choose your venue. The obvious choice is down the local pub, but it could be in a local sports club, at work, or at home. Just make sure you have enough space for all the teams taking part.
- Decide on your format. How many people per team? How much to enter? We suggest 5 players per team and £2 per head to enter. You could offer a percentage of the entry fee as a prize.
- Come up with the questions. In the toolkit you will find some questions and answers or you may prefer to come up with your own.
- Get in some help. Not essential but its always good to have someone else on hand to help out, add up the scores and collect the entry fee.
- Promote your quiz everywhere you can, on Facebook & Twitter, use the posters in this toolkit, and email friends. Tell them when, where, and how much it is to enter. And finally enjoy your night!
