

Swear Box.

#%@*\$\$!

Stick a swear box in the office or down the local to raise a few quid for Aspire. Every time someone uses a naughty word, get them to pay a fine! If people's worst crime is not swearing but doing something else that causes offence, then get them to pay for this misdemeanour.

All you need to do is print off the box on the next page, stick it on your desk or on the bar and make everyone aware of the new rules! If you have a larger office or pub, why not print off a few boxes to put around the place.

Aspire

Building the box instructions

- Print the box onto card and then carefully cut the box out (including the coin slot).
- Fold along all of the lines , this will make assembling the box easier later.
- Using glue, stick both A1 and A2 to the back of B1 and B2.
- Repeat process with C1 and C2 to the back of B1 and B2.
- Using glue , stick E1 to the back of F1. In doing so you should have created a back and lid to your collection box.
- Finally glue D1 and D2 to B1 and B2.
- You should now have an Aspire collection box.
