

# The X Factor Sweepstake

Organise The X Factor sweepstake for Aspire, and you're definitely on to a winner. Firstly, everyone who enters it has a great excuse to get overexcited whilst watching the competition, as they'll have picked a contestant to cheer on. Secondly, you may win a prize. And thirdly, you'll raise money to help people with a spinal cord injury.

Here are four simple steps to help you organise your sweepstake.

- Cut the list of 16 contestants (see page 2) into individual pieces, fold each one up and put them into a container.
- Ask your friends and colleagues to draw a name out of the container. You could also request that they make a suggested donation of £2. Make a note of which name each individual draws on the control sheet (page 3). Entrants keep hold of their slips.
- Once the winner is crowned, you can award the winner with £10, then donate the remaining £22 to Aspire .
- If anyone draws a contestant that pulls out before the start of, or during the competition, then, we're afraid, that's just bad luck.
